OFFICE OF LEGISLATIVE COUNSEL

Thursday - 24 May 1962

4. [redacted] Jack Leahy, State Department Congressional Relations, called to advise he had talked with Kurt Borchardt, Clerk of the House Committee on Interstate and Foreign Commerce concerning H.R. 11732 to amend section 305 of the Communications Act of 1934. Leahy advised Borchardt that we had an interest in the bill. Borchardt could not indicate whether action would be taken by the Committee on this bill but suggested that State and this Agency discuss it with Chairman Oren Harris. Leahy was interested in arranging such a meeting. Leahy also indicated that the Senate Foreign Relations Committee might possibly schedule hearings on the Senate version of the bill in the near future. I suggested to Leahy that before any meeting was arranged it would be desirable for our offices to meet and discuss the proposed course of action on the bill. He agreed and we will make arrangements for such a meeting within the next few days.
